

# SCHEDULE

DOCNZ Festival is proud to bring you a showcase of international and local films. Due to limitations on venue screening availability and times however, we apologise if your picks are not available at your city and chosen venue.

Please note that where two films are featured at a single sitting that there may be a minor delay before the screening of the second film whilst tapes are being switched over at some venues.

## Christchurch

Where two or more films are being shown together, the listing displays them in the order in which they will be shown.
